RUTGERS
BUSINESS SCHOOL:
UNDERGRADUATE—NEW BRUNSWICK

2024
BACCALAUREATE
CONVOCATION

May 09, 2024

HISTORY OF THE RUTGERS BUSINESS SCHOOL NEWARK AND NEW BRUNSWICK

In June 1984, the Board of Governors recommended the establishment of an upper-division School of Business at Rutgers on the New Brunswick campus, which was formally endorsed by the New Jersey Department of Higher Education effective September 1986. The school offers undergraduate programs in accounting, business analytics and information technology, finance, leadership and management, marketing, and supply chain management, leading to the degree of Bachelor of Science.

On July 1, 1996, the School of Business joined the Faculty of Management to form a single business school on Rutgers' northern campuses. The newly formed unit, renamed Rutgers Business School-Newark and New Brunswick, with its larger faculty and wide variety of centers, institutes, and programs, provides extensive new opportunities to students enrolled in the undergraduate program in New Brunswick. In fall 2008, the New Brunswick undergraduate unit of the Rutgers Business School-Newark and New Brunswick became a four-year program with the admission of the first freshman class.

In August 2013, the Rutgers Business School-New Brunswick moved to its new location, 100 Rockefeller Road, on the Livingston Campus. Known to many as 100 Rock, this building contains state-of-the-art computer and media classroom facilities, technology centers, and multiple team meeting rooms, all dedicated to the exclusive use of Rutgers Business School students. With a commitment to renewable energy, 100 Rock represents the cutting-edge nature of this growing institution.

RUTGERS BUSINESS SCHOOL NEWARK AND NEW BRUNSWICK GONFALON

The two golden stripes on the Rutgers Business School-Newark and New Brunswick gonfalon represent the school's two undergraduate programs. The center stripe represents its graduate program. The colors of the stripes relate to the hood colors worn by each program's graduates. The scarlet and black letters in the school's name and logo represent the colors of the university. Business education at Rutgers can be traced back to 1929, when it was first offered through the Seth Boyden School of Business at Newark.
