Welcome to your Senior Year! Here is a list of important “to-do” items for you to complete throughout your final year. Please make sure you have checked off all items listed below by your classified graduation date.

- Apply for your diploma through the online Diploma Application: https://www.ugadmissions.rutgers.edu/DIPLOMA/Login.aspx?ReturnUrl=%2fDiploma%2fDefault.aspx *dates and deadlines listed on the RBS Senior Website (link to website located below)*

- Set up a Senior Review meeting with your Senior Counselor, Lin Williams. This is not mandatory but is highly recommended!

- Confirm that you are classified to graduate during the correct month/year. If you plan to change your graduation date to an earlier or later time, you MUST reclassify yourself. Contact Lin Williams for the Reclassification form.

- Return this form to the RBS Undergraduate Programs Office, ATTN: Lin Williams.

- Confirm that you are declared with the correct major(s) and minor(s). Use Degree Navigator to confirm your academic program(s). Any discrepancies should be dealt with immediately (i.e. dropping or adding a major/minor). Failure to do so will complicate your graduation. Contact Lin Williams for the Major & Minor Declaration/Change form.

- Log on to Degree Navigator to check the status of your major(s)/minor(s)/general education requirements. If you see something wrong or feel something is missing (i.e. a course you transferred in doesn’t show, study abroad credits, etc.), contact Lin Williams as soon as possible to resolve the issue.
