THE RESOURCES

There are many resources available for MFinA students! Check it out!

RESUME/COVER LETTER

What are the three golden rules to resume writing? How to understanding the resume from an employer's (HR/ hiring manager) perspective?

DESIGN YOUR PATH

What is your strength? What is your interest? What opportunities do you have in the environment?

INTERVIEW

What are the most common interview questions? What should we do to prepare our interviews?

NETWORKING

What are the key principles of networking? What should we talk when we meet with our mentors?

HEALTH AND HAPPINESS

How to manage the job hunting stress? How do balance our work and life? Will exercise and meditation help?

About this Guide

This guide will lead you along the basic steps in searching for a job in business and management, from exploring career possibilities to researching industries and companies, to identifying profession and industry-specific sources for job postings. General career resources are available in a related guide originally compiled by Jill Nathanson and now maintained by Mei Ling Lo: [Career and Employment Resources](#).

Ruth Ware was a contributor to the December 2015 version of this Research Guide.
