

IMA Student Series:

Finance & Accounting Professional Panel

Are you considering a career in accounting and/or finance?

Please join us to hear from successful professionals representing a variety of industries. Learn about their career paths, the CMA* certification, insights, and tips for new graduates and young professionals. Come prepared with questions for our panelists.

When: Wednesday, April 14, 2021 from 6 p.m. – 7 p.m. EDT
Where: Zoom meeting

ALL students and faculty are welcome to attend!

**CMA - Certified Management Accountant. The IMA's Certification for Accountants and Financial Professionals in Business. IMA is a global professional association with more than 125,000 members who are accounting and finance professionals working in business. Our organization has more than 350 professional and student chapters located in cities and campuses around the world. This is a great networking opportunity for all participants.*

Meet the Panelists

The Walt Disney Company – Dylan Azevedo, CMA – Financial Analyst

Dylan Azevedo graduated from California State University, Fullerton in 2019 with a double major in finance & accounting. After graduating, he joined Disney's Accounting & Finance Rotation Program, giving him the opportunity to rotate through many different departments that span multiple business segments of the company. Dylan has been an IMA member since 2018 and became a CMA in September 2020.

Bose Corporation – Luis Martinez Luna, CMA – Finance Manager, G&A and Operational Excellence

Luis Martinez Luna is a Financial & Business Advisor at Bose Corporation. He holds a Bachelor of Science in Business Administration with a concentration in finance from the University of Florida, and is currently pursuing his Master of Science in Business Analytics degree at Suffolk University. Luis is passionate about the modernization of the finance office and has led several initiatives to improve operations through the use of technology and modern analytical tools.

Limbach Holdings, Inc. – Shelly Hogans, CMA, CPA, MBA – Vice President, External Reporting & SOX Compliance

Shelly is the Vice President of External Reporting and Sarbanes-Oxley Compliance for Limbach, an integrated building systems solutions construction firm. Shelly has held many positions over her 30-year career, spanning accounting transformation, project management, financial reporting and analysis, and ERP systems implementations. She has held roles in two of the Big Four public accounting firms, controller roles in nonprofits, manufacturing, and financial service industries, was a financial manager to a Chief Marketing Officer, and implemented Sarbanes-Oxley for an international medical device manufacturer.

Cargill – Ashley Edwards, CMA – Global Plant Finance Director

Ashley Edwards is the Global Plant Finance Director at Cargill, leading manufacturing finance supporting for more than 950 facilities in 50+ countries worldwide. Ashley has spent the majority of her career driving change and transformation in finance and is passionate about inspiring teams to drive excellence by continuous improvement and professional development. She has held leadership roles in financial planning & analysis, finance controllership, and transformation management. Ashley is a CMA and experienced in digital finance, data analytics and visualization, and strategic planning.
