

EDUCATIONAL PLAN FOR COMPLETING DEGREE

Last Name: _____ First Name: _____ RUID: _____

Major 1: _____ Major 2: _____ Minor: _____ Concentration: _____

THIS IS NOT AN OFFICIAL FORM. Based on course offerings, it may be necessary to adjust your course plan at a later date. All students, please schedule an appointment to meet with your Academic Counselor well in advance of the deadlines in order to allow yourself enough time to properly plan for future semesters. Also, if you have a minor, please schedule an appointment with your minor department to be advised accordingly.

Important Information:

- Total semester course credit load: Students are not allowed to register for more than 19 credits during fall or spring semesters, and 14 credits summer session.
 - o **An exception may be made for those students, who meet certain criteria, to register for one (1) additional course, their last semester of enrollment in order to graduate.** Students seeking this exception must receive permission from their assigned Academic Advisor and meet the following criteria: Have a cumulative GPA of 3.25 or better.
- Not all courses are offered every semester
- Students are not permitted to take courses off-campus without permission
- Probation students are limited to 12-14 credits per semester
- Winter and Summer Sessions are Available, but courses are subject to cancellation
- Remedial Courses:
 - o Students placed in Intermediate Algebra 21:640:104/105 or College Algebra 109 (21:640:109) are required to complete these courses in sequence prior to advancing to upper-level Math courses such as Applied Calculus (21:640:119)
 - o Students placed in Communication Skills 21:355:098/099 are required to complete these courses in sequence prior to advancing to English Composition I
